## **HEALTH, SAFETY AND ENVIRONMENT (HSE) POLICY**

**MISAR Sdn. Bhd.** is committed to provide and maintain a work environment that ensures the health & safety of our people, customers, contractors and visitors. We aim to prevent accidents and illness and continuously seek to enhance our workplace safety habits and practices. To meet this commitment in carrying out its operation, will in all cases, abide by the following Principles:

- Provide adequate control of the health and safety risks arising from our work activities;
- Consult with our employees on matters affecting their health, safety and environment;
- Provide information, instruction, supervision and best practices for employees;
- Ensure all employees are competent in carrying on their tasks, and to give them adequate training;
- Striving in preventing accidents and cases of work-related ill health;
- Ensure that appropriate contingency measures are in place to deal with emergencies;
- Reduce the source of waste and energy source consumption; step taken to conserve the environment;
- Require all its employees and contractors to strictly adhere to this policy at all times, by providing resources to manage HSE.
